EXPLORER

1987

Dedicated by the
Journalism Class of 1987

Our lives are not ending,
We are only moving on.
We are thinking of tomorrow,
Where do we belong?
Our futures hold promise,
Our hearts behold great fear.
We have to leave our loved ones
So sweet, so kind, and so sincere.

Marquette has been a stepping stone.
A memory we all have shared.
Do we leave the wings of love?
Or do we really dare?
Do we know what the sun may bring?
Will it be true or fair?

The time has come when we must depart.
We've been together for a time so very short.
We'll always be true,
We'll always be free,
Our class will live forever,
And will never cease to be.

We leave Marquette with a legacy,
Of what is to come,
And of what is to be.
